

Weir Farm Artist-in-Residence Reception

Meet Markus Baenziger

Monday, May 12 • 6 - 7:30 pm

Wilton Library

May brings Markus Baenziger to the Weir Farm Artist-in-Residence program. During his residency at Weir Farm, Markus plans to complete a group of two to three small scale

sculptures. Forms that he observes in nature will inspire the sculptures. Fabricated with industrial materials and combined with man-made found objects, the works intend to reflect on our complex and often contradictory relationship with nature, where our utopian perception of nature collides with our ambitions. Co-sponsored by Weir Farm Art Center and Weir Farm National Historic Site and presented by Wilton Library. No charge.

Registration is suggested.
